SUMMER 2011

Stations & Chapter AGM – Mon 21 March, 7.30pm

14 members attended and 4 sent apologies; so was well attended, thank you. Stations at S Saviour's were traditional and very moving. Afterwards, drinks and substantial nibbles were available before the AGM was convened. Ron Church for personal reasons did not stand for re-election to the Committee, which now comprises myself as Secretary, Michael Rogerson as Treasurer, Gordon Addison and Quentin Edginton. Recruitment is the key concern for the Chapter as more traditional members have moved over to Rome (directly or as part of the ordinariate) and more liberally minded anglo-catholics (those in favour of women priests, gay relationships etc) don't join because of the Guild's stance. So the challenge to you all is to recruit another person during 2011.

Lenten Meal – Friday 15 April, 7.30pm

Four of us made it to this event at Riverside Vegetaria in Kingston. Nevertheless the evening was most enjoyable, eating, chatting and overlooking the Thames. Those who didn't come certainly missed out.

Guild Easter Festival & AGM – Saturday 30 April

This year the Easter festival was held at S Albans, Holborn. Fr Chris can be seen far left. I myself was not present at the event.

Guild Office, Thursday 19 May, 7.30pm

After many years away, the Chapter once again visited S Matthews in West

Wimbledon. Although a little thin on the ground – with no cantor – our organist, David Atkins, heroically filled this role. Fortunately, those attending did sing up and with the very good acoustics of the building, a reasonable Guild Office was achieved.
